**Weight:** 131g

## GUARANTEE CONDITIONS

**STOREX's** available guarantee is valid for 1 year for tablet and 3 months for its accessories (remote control, AV cables, power supply ...).

**STOREX** guarantees your products against any manufacturing or assembling faults. This guarantee only applies to the first purchase of the tablet by the end user and is not transferable if the device is resold.

The guarantee doesn't cover failures or defects induced by non-compliance to this manual's instructions, neglect, alteration, improper installation or maintenance, reparation or alteration not authorized by **STOREX**, improper tests, accident or external factor such as (not exhaustive) excessive heat or dampness, power failures or bad installation / uninstalling of tablet.

The only contractual obligation endorsed by **STOREX** pertains to the reparation or replacement of a defective product. In no case, **STOREX** cannot be held responsible for any loss of data, or its consequences induced by operational fault or a product failure.

In any case, **STOREX** won't be bound to any financial responsibility for any amount exceeding the value of the product purchased by the end user.
